Join us for CTFSN's Virtual Resource Fair on Summer Camps and Recreational Activities for Children with Special Needs

The CT Family Support Network will host a Virtual Resource Fair for Summer Camps and Recreation Activities for Persons with Special Needs.

The Presentation will offer families an opportunity to hear from representatives from local and statewide camps and local recreations programs to learn what is available for persons with Special Needs during the summer months.

This event covers all ages and abilities.

We are asking camps around the State of CT however, the number of provider presentations maybe limited due to format.
This Zoom event will be recorded. You are not required to have your video on to attend.
