

The Asperger's Awareness Council and Franklin Academy
are pleased to announce the 2015 annual conference

For Parents and Professionals Serving Students on the Spectrum

From Chaos to Clarity:

***Strategies to address executive functioning
and improve emotional intelligence***

Featuring Keynote Speaker
Dr. Lauren Kenworthy

Dr. Kenworthy is the Director of the Center for Autism Spectrum Disorders at Children's National Medical Center and is an Associate Professor of Psychiatry, Pediatrics, and Neurology, The George Washington University Medical School. She has specialized in the neuropsychological assessment of children with social learning disorders and executive dysfunction for over 15 years. In addition, Dr. Kenworthy has published over 20 peer reviewed papers investigating autism and executive function, as well as developing the most widely used assessment tool in the field, the Behavior Rating Inventory of Executive Function (BRIEF; Gioia, Isquith, Guy, & Kenworthy, 2000). Author of *Unstuck and on Target!* and *School Success for Kids With High Functioning Autism*.
